Online Professional M.A. in Higher Education/Student Personnel

The online-delivered Professional Master of Arts in Higher Education/Student Personnel provides professional preparation for persons who are or will be employed in the administration of student affairs, student life, student services, and other co-curricular positions in institutions of postsecondary education. Students complete the curriculum on a part-time basis while continuing their employment at a college or university. The program employs alternative methods of delivering course content, including Internet learning systems, audio/video conferencing and an assortment of streaming media content.

Applicants to the online Professional Master of Arts in Higher Education/Student Personnel program must meet the following admission requirements:

- Hold a bachelor's degree from a regionally accredited institution with an acceptable grade point average on undergraduate coursework.
- A Graduate Record Examination (GRE) score indicating proficiency for graduate study.
- Students admitted to the program must have access to high speed Internet.
