

EDRD 355 Field Experience Timesheet

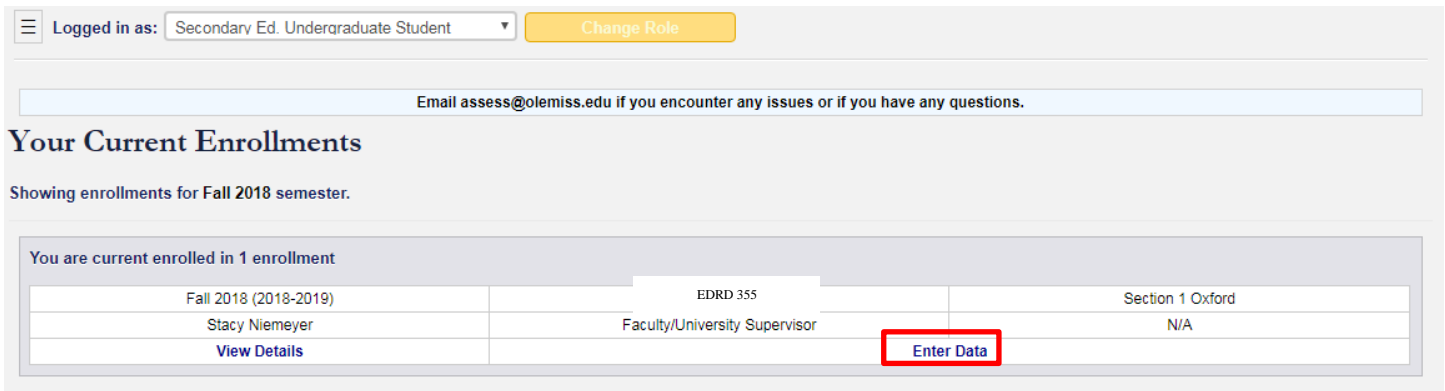

All EDRD 355 students will be required to log field experience hours in the School of Education Assessment System. It is recommended that students add hours in the assessment system throughout the semester instead of waiting until the end to ensure an accurate record of field placement hours. Clinical Instructors will need to log in to the assessment system to confirm these hours. It is also recommended that clinical instructors confirm hours throughout the semester. Below are steps for **students** on how to successfully log field placement hours in the assessment system.
