EDRD 355 Confirming Field Experience Hours

All EDRD 355 students will be required to log placement hours in the School of Education Assessment System. It is recommended that students add hours in the assessment system throughout the semester instead of waiting until the end to ensure an accurate record of field placement hours. Instructors will need to log in to the assessment system to confirm these hours. Below are steps for instructors on how to successfully confirm field experience hours in the assessment system.

The top of the “Field Experience Timesheet” page will list the Enrollment, Personnel, and Placement information for the student.

Scroll down the “Field Experience Timesheet” page to the heading “Review Hours.”

All field placement hours that the student has logged into the assessment system will be listed.

To confirm a set of hours click “Confirm.” If you believe the hours logged are inaccurate click “Doubt.”

Hours that have yet to be verified by the instructor will be listed as “Pending” and will not be highlighted. Hours that have been confirmed will be highlighted green. Hours that have been doubted will be highlighted red.
