

Ed Leadership Internship Log/Portfolio/Dispositions UM Supervisor Guide

Internship Log

All Educational Leadership M.Ed./Ed.S. students will be required to log internship hours in the School of Education Assessment System. It is recommended that students add hours in the assessment system throughout the semester instead of waiting until the end to ensure an accurate record of internship hours. University Supervisors will need to log in to the assessment system to confirm these hours. It is also recommended that UM supervisors confirm hours throughout the semester. Below are steps for **University Supervisors** on how to successfully confirm internship hours in the assessment system.

Portfolio and Dispositions

All Educational Leadership M.Ed./Ed.S. students will need formative and summative scores submitted for their portfolio and dispositions before graduating. If you are submitting formative scores this semester, leave the summative scores blank and submit the form. If you are submitting summative scores this semester, leave the top half (formative scores) blank and submit only the summative section. If you are not submitting any portfolio or disposition scores for your student this semester, do not complete these instruments.

Use the same process outlined above for the Internship log to submit Portfolio and Disposition scores.
