

Registering in the DREAM Assessment System: Graduate Candidates

Graduate candidates in the School of Education should register for an account in the School of Education Assessment System. Graduate candidates who completed an undergraduate program in the School of Education do not need to register again. These candidates should log in using their UM email and assessment system password. You may reset your password on the Login page if necessary.

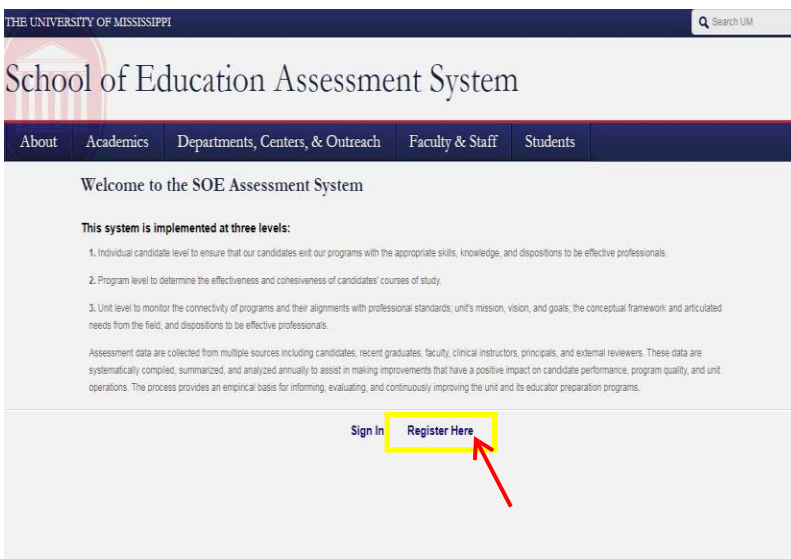

Follow the steps below to successfully register in the School of Education Assessment System:

Access the SOE Assessment System.

<http://education.olemiss.edu/assessment/home.php>

You can also access the Assessment System from the “Student” tab on the School of Education home page.

First time users will need to register in the system. Click, “Register Here” on the homepage to register in the system.

Candidates that were previously enrolled in an undergraduate Teacher Education program will be able to access the system using their account used during an undergraduate program. These candidates will click, “Sign In” and log in with their credentials.

Register your assessment system account.
