Welcome to the SOE Assessment System

This system is implemented at three levels:

1. Individual candidate level to ensure that our candidates exit our programs with the appropriate skills, knowledge, and dispositions to be effective professionals.

2. Program level to determine the effectiveness and cohesiveness of candidates’ courses of study.

3. Unit level to monitor the connectivity of programs and their alignments with professional standards, unit’s mission, vision, and goals; the conceptual framework and articulated needs from the field; and dispositions to be effective professionals.

Assessment data are collected from multiple sources including candidates, recent graduates, faculty, clinical instructors, principals, and external reviewers. These data are systematically compiled, summarized, and analyzed annually to assist in making improvements that have a positive impact on candidate performance, program quality, and unit operations. The process provides an empirical basis for informing, evaluating, and continuously improving the unit and its educator preparation programs.

First time users should click “Register Here” to create an account.

If you already have an Assessment System account click “Sign In.”
Register using your legal name, Student ID number, and Ole Miss email address. We use legal names to ensure there are no duplicates in the system.

Choose your own password. You can reset it by clicking “Forgot Password” on the Login page.

Click “Register” once you have filled in all the information.
Once you have successfully registered, this page will appear asking for you to activate your account. You will receive an email at the email address provided in the form to confirm your account. Click the hyperlink in the email to activate your account. The hyperlink will direct you to this page below.

After your account has been activated, the link in the email no longer works. You should go to http://education.olemiss.edu/assessment/ from this point on to login to the assessment system. You may also login from the main page http://education.olemiss.edu
For legal/ethical reasons and the security of the assessment system, it is important that you do not share your password with anyone.
Update Your Personal Profile

To update your profile, first click the blue square on the top left side of the screen to open the Navigation Panel.

Once the Navigation Panel is open click “Personal.” Then click the “Modify Profile” button.

It is important to keep your personal profile up to date.
Please update any missing/incorrect information.

If information is incorrect and you are unable to change it yourself, contact the systems administrator at assess@olemiss.edu to make the corrections for you.

You can also change your assessment system password from this page.

Be sure to click on the “Update Account” button at the bottom of the page when you are finished.
Current Enrollments (Courses)

To locate your courses that use the assessment system click on “Current Enrollments” in the Navigation Panel.

On this page, you see the course(s) listed. Click “View Details” to see information for the course.
Information for the course will be displayed on this page. Click “View” for even further information on a specific aspect of the course.

To view completed assessment instruments, such as the TIAI, click “View Report.”
Viewing Assessment Scores

To view Assessment Scores, Test Scores, Attendance Reports, and other information click “Personal” in the Navigation menu. Then click “View Overview.”

At the top of the Student Overview page you will be able to see general information including Admission status and GPA.
On the Student Overview page, you can also see test scores including Praxis scores.

You can also view information about the courses you are enrolled in from this page.

To view completed assessment scores from this page, scroll down to Assessment Instrument Reports and click “View.”

To view Attendance Reports click “View” next to “TE Student Attendance.”
Enrollment Application

Enrollment Applications will be completed by students using the Assessment System.

Each semester during advising, students will complete an Enrollment Application in the SAFE office.
