   There was a school wide information session presented by GA Sara Kaiser on October
   26, 2012. Several articles were sent out prior to November 30 work session where there
   was a two-part focus discussion. Approximately 30 faculty members attended discussion
   led by Dr. Ortwein, Dr. Melear, Dr. McClelland, Dr. Letzring. A lot of ideas were
   presented about what PhD education looks like in our school. More work needed with
   EdD education. A report will be presented to everyone at the Assessment Retreat.
