1. **CPED Update**  
   Dr. Amy Wells Dolan: Information session held October 26, 2012 with approximately 15 people attended. Discussion focused on PhD. Goal is to present results to the Graduate Education & Research Committee in early January 2013. Would like to report what has been learned at the School of Education Assessment Retreat.

2. **Off campus programs and faculty**  
   Dr. Rock: Many changes have taken place with Office of Outreach. Dr. Linda Chitwood is working to separate and get each unit of Outreach to operate fiscally so that they can report to themselves. There is no longer a site discrimination required for data for your candidates.
