- B. CAEP Interview on Sunday, April 10 from 2:25-3:45- Overview of what to expect
- C. **Other**

IV. Adjourn

The next EPC Meeting will be:

Fall 2022

EPC Meeting Minutes
Held via Zoom
March 29, 2022

I. Welcome

A. Dr. Brady welcomed all EPC members.

I. Approval of Minutes

A. Dr. Ellen Shelton made a motion to approve the November minutes. Dr. Sara Platt seconded the motion. Motion approved. Motion carried.

II. Information Items

A. Dr. Sara Platt reviewed the ELL survey data from student teachers. 51% of student teachers indicated they had some interactions with English language learners. Suggestions on how to better prepare SOE students to work with ELL students included additional training or courses, training on interacting with parents and guardians of ELL students, and technology to assist with interactions. Dr. Platt sent a google form to all members to complete.

B. Dr. Ann Monroe gave an overview of CAEP accreditations, including a refresher on what EPC has worked on during the last couple of years. This information can be found in the EPC minutes from previous years posted on the SOE website. Some things that were emphasized include putting the classroom management course earlier in the program and working towards getting student teacher into the classroom on the first day of classes. These program changes have been taken to address feedback and data collected. Dr. Monroe then gave an overview of what to expect at CAEP zoom interviews, which will be held Sunday April 10th from 2:45-3:45.

The next EPC Meeting will be:
Fall 2022.
